About SIP

Thank you for considering sponsoring Shiny in Production!

Hosted in the centre of Newcastle Upon Tyne, UK, this conference will delve into the world of {shiny} and other web technologies.

Shiny in Production is a conference for everyone: whether they're a seasoned {shiny} user who wants to network and share knowledge, someone who's just getting started and wants to learn from the experts, or anybody in between, if they're interested in {shiny}, this conference will have something for them!

The conference will take place over two days, split into an afternoon of workshops and a day of conference talks from experts a wide variety of sectors. If you're curious about what to expect, take a look at the Jumping Rivers [YouTube channel](#), where we have playlists of talks from previous conferences.
